## IP66 STEEL WALL-MOUNTING CABINETS

Description: Perforated metal mounting plate.

Reference:  
**PLU4060**

### Description:

<b>Accessory type:</b>	MOUNTING PLATE
<b>For the following cabinets:</b>	ARGENTA: GN - ATX - INX.
<b>Dimensions:</b>	(AxB) 370x550 mm
<b>Materials:</b>	2-mm thick galvanised steel.
<b>Packing units:</b>	1
<b>Supply:</b>	Pack of 4 height adjusters plus 4 anti-twist bolts for assembling the plate.

### Codes:

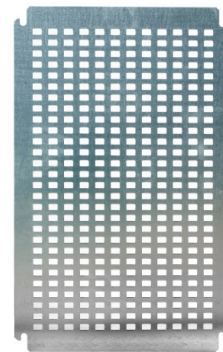

<b>EAN:</b>	8431044008646
<b>Customs tariff number:</b>	85.38.10.00
<b>ETIM 6.0:</b>	EC000213

### Technical data:

Plate thickness: 2 mm  
Cut-out holes 14x9 mm  
Distance between perforations: 25 mm  
Recommended caged nuts: 48429 for front assembly, and 48416 or 48435 for rear assembly

### Features:

For 400-mm high and 600-mm wide cabinet

### PRODUCT END OF LIFE:

It does not require specific recycling operations.

### SUSTAINABILITY:

RoHS - REACh
